

DIVYA DEEP PROJECTS

COMPANY PROFILE

ABOUT US:-

We would like to take this opportunity of briefly introducing **DIVYA DEEP PROJECTS** Which is a well established organization for the past 02 years. We undertake Construction projects related to PEB building and have successfully completed a number of projects till date.

The name and business strength that has been earned by our organization today, is due to the professionally equipped and able staff, who have a varied experience and good knowledge of serving the customers to their satisfaction. This is further enhanced by the innovative ideas of the management, who strive from time to time in creating awareness and keeping the company at par to the latest development of today's world.

A concise summary of our company is enclosed herewith for your kind perusal. It would be highly appreciated if you could register our company name in your list of approved contractors, for relevant business opportunities, so as to render our services to your esteemed selves in the foreseeable future.

With Best Regards

FOR DIVYA DEEP PROJECTS

Ms. Minakshi Shailesh Rana
Proprietor

MESSAGE

Like any Entrepreneur with a Dream, we too have a dream; And having "Dream" means pushing the company toward more prosperous milestones. More than a North/South India Engineering & Contracting Company; we perceive ourselves as a "PAN India" player. We believe our company commitment to "Quality" and "Timely Project Execution" will make our company competitively placed. But Growth has always been thwart with Risk and Challenges. But Overcoming Challenges after Challenge has been a hallmark of our brilliant team. Our team adherence to core values - Quality, Commitment, and Improvement; has helped us to withstand many challenges for the past 02 years; and we hope will also help us as we move to our next milestone.

The journey of DIVYA DEEP PROJECTS is never-ending. But with the support of my team and clients, We are confident that the company will continue to scale milestones of excellence of years to come.

INTRODUCTION:-

DIVYA DEEP PROJECTS, established about 02 years ago, is now a leading and widespread PEB Building/Erection Civil & Steel Structural company which has in its credit the success stories of higher degree of different projects spread over various domains which include commercial construction, industrial construction, pipelines, roof solutions, civil structures and steel structures.

DIVYA DEEP PROJECTS carries out its activities through three strategic Business Units for better focus on business volume and strategic growth in respective segments of its operations.

- PEB Institutional and Commercial Buildings.
- Factories..
- Residential Buildings.
- Development Work.

Working out of Utrakhand as the Corporate Office, DIVYA DEEP PROJECTS. in these 02 years spread its work over 5 States in India and still continued to spread its arms. Some of its branches are spread over **Gujarat, Delhi, Haryana, Hyderabad, Maharashtra, Uttrpradesh.**

VISION & MISSION :-

Our Vision – DIVYA DEEP PROJECTS is committed to PEB building long-term relationships based on integrity, performance, value, and client satisfaction. We will continue to meet the changing needs of our clients with our quality services delivered by the most qualified people. We believe in corporate leadership, the success is responsibility with freedom to work is transferred to every individual with a collective teamwork.

DIVYA DEEP PROJECTS. Combines the traditional values needed for building Industries and commercial projects with modern technology to monitor every aspect of a project including planning, scheduling, selection, labour/materials acquisition, cost management and supervision. Our approach to project management allows us to complete projects on time and within budget.

Our Mission - DIVYA DEEP PROJECTS. Is not just a construction company. We are a dedicated striving to bring growth to our community, helping to maintain existing companies and assist our clients in making their dreams become a reality.

Safety Management :

DIVYA DEEP PROJECTS has obtained an effective safety management capability and have applied for ISO standards and OHSAS policy with recent done which will be available very soon. A full time safety officer and supporting team are appointed with the support of a tried and tested safety management plan and associated safety documentation.

Divya Deep Quality Policy :

DIVYA DEEP PROJECTS resolves to achieve and sustain a reputation for excellence in the construction (PEB Building/ Erection, Civil, Structural, Electrical, & Mechanical) markets and shall strive the customer's needs by executing the works to consistently high quality standards at competitive prices and within the time frame agreed to Divya Deep Projects to :-

- Maintain an effective quality management system applying to all our activities at all time.
- Ensure compliance to all regulations and statutory bodies.
- Seek to achieve and maintain best practice methodologies throughout our activities.
- Maintain continual improvement through measurement against policy & Performance, evaluation, review, training & procedural change where required.
- Meet our clients requirements and meet or exceed their expectations.
- Communicate this policy to our employees, stakeholders and all interested parties to ensure continued adherence to this policy.

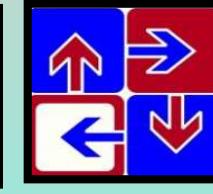

OURPORTFOLIO :

We have over and again emphasized that, for us clients have been the most valued assets and we bring the edges together to ensure that they are satisfied. In writing success stories, they have played the most important role. To have a look at our previously treasured group of successful clients who believed in us, please go through the list below:-
